

EnDevCo Issues Corporate Update

Tuesday January 27, 7:00 am ET

HOUSTON, Jan. 27 /PRNewswire-FirstCall/ -- EnDevCo, Inc. (OTC Bulletin Board: [EDVC - News](#)), the *Energy Development Company*, is pleased to update its shareholders and the investment community on the status of its crude oil and natural gas sales and purchase contracts with respect to the recent growing over supply of crude oil and natural gas in the United States.

Shareholders have recently inquired as to whether or not the Company has experienced any interruption in the sale of crude oil and natural gas from its Short Junction Field in Oklahoma City, Oklahoma due to the recent over supply of crude oil and natural gas in the United States. "EnDevCo has not experienced nor has any reason to expect any interruption in the sale of crude oil and natural gas from its Short Junction Field," stated Chris A. Dittmar, EnDevCo's Chief Executive Officer. The crude oil and associated natural gas produced from Short Junction Field is in high demand and commands a premium for its high quality and close proximity to local markets, Mr. Dittmar concluded.

About EnDevCo, Inc.

EnDevCo is a dynamic energy company rapidly establishing an identity consistent with its operating philosophy of **"Science Before The Drill Bit."** The Company has domestic and foreign oil and gas projects with current interests in Oklahoma, the Gulf of Mexico offshore Louisiana, Colombia and Peru.
